

**THE ALPHABETICAL INDEX TO THE WOMEN'S
SUFFRAGE PETITION OF 1894 WAS COMPILED BY
THE RESEARCH AND ACCESS SERVICES STAFF OF
STATE RECORDS.**

**THIS WAS DONE IN 1994 TO CELEBRATE THE
CENTENARY OF WOMEN'S SUFFRAGE.**

While every effort has been made to be as accurate as possible, the size of the Petition and the magnitude of the task has unfortunately resulted in some typographical errors. However, the names of those who signed the Petition have been checked against as many references as were available in the time.

State Records is the State Archives of South Australia.

The Petition prior to cleaning and preservation in 1991 when it was cut into separate lengths, hinged to mount board and covered with mylar. The petition is stored in the House of Assembly vault.
